This Omnibus ( DC Comics 52 ) was one of the better put together books. I always try to flip my books from start to finish as soon as I open them to make sure there are no obvious and apparent. As addictive as any good TV series, any good mystery-novel series, any good comic book series.'

- ENTERTAINMENT WEEKLY 'Gripping.' - THE WASHINGTON POST 'A compelling, epic story that wound up saving the world five times over.' The story after the big finale of Infinite Crisis.. 52 weeks without Supes, the Bat and Wonder Woman.. And what a ride it was! A full year with some major events concerning a lot of the other superheroes out there.. After INFINITE CRISIS, the DC Universe had its most eventful year ever. It was a year without Superman, Batman or Wonder Woman . . . but not a year without heroes! The Silver Age adventures of Adam Strange are collected in one giant omnibus! After being mysteriously teleported to the distant world of Rann, Adam Strange's life changed forever as he went from being an archaeologist to a cosmic hero. 52 is a weekly American comic book limited series published by DC Comics that debuted on May 10, 2006, one week after the conclusion of the Infinite Crisis miniseries. The series was written by Geoff Johns, Grant Morrison, Greg Rucka, and Mark Waid, with layouts by Keith Giffen. Huge 1328 page hardcover collecting every issue from DC's New 52 Zero Month event. New 52 seems like the perfect place to get started but I'm conflicted about which Omnibus I should start with. Seeing how I'm new to the universe I want to learn who these characters are (for example I barely watched

the Green Lantern movie, didn't know much about him before that). First Line of Dialogue or Text: These "shard" images are what are shown... Genre: superhero Reprints: from 52 (DC, 2007 series) #1 ([May] 2007) [1 page]. Indexer Notes . The two pages of shard images and caption repositioned to fit on one page. Red Hood, Arsenal and Starfire join forces to battle everything from The Joker to space aliens to the League of Assassins. And when Jason and the team find out that Starfire is one of the most feared (and dangerous) commanders in all of space, their adventures head for the stars and beyond to help decide the fate of the throne of Tamaran.
