DESCRIPTION OF THE BOOK A GARDEN GALLERY PB

Celebrated internationally as artists and gardeners, Little and Lewis open the gates to their renowned Puget Sound garden and share their personal wisdom for what informs and inspires their wild fantasia of plants, hardscape, and art. Water features, oversized and broadleaved plants, expansive use of color, zone-pushing tropicals, architectural emphasis, and elements of classicism and mystery - all combine to create a magical space. The authors describe how you too can achieve this kind of retreat for reflection in your own backyard. From practical advice on how to make a slow-drip natural fountain, to building an inexpensive Tuscan-style wall, you will be encouraged to use your imagination and take risks. Stunning photographs will inspire you.
