DESCRIPTION OF THE BOOK A MAN CALLED BLESSED

One man holds the key to locating the Ark of the Covenant -- but he's hidden deep in the desert and no one has seen him since he was a boy. In this explosive sequel to *Blessed Child*, Jewish soldier-turned-archaeologist Rebecca Soloman leads a team deep into the Ethiopian desert to find the one man who may know the final resting place of the Ark of the Covenant. Such a discovery would bring hope back to her people. Her search brings excitement and danger -- including unexpected love and a discovery far more powerful than even the holy artifact. Meanwhile, Islamic fundamentalists dispatch Ismael, their most accomplished assassin, to pursue Rebecca and the man she's searching for. These men fear that the Ark's discovery will compel Israel to rebuild Solomon's temple -- on the very site of their holy mosque in Jerusalem. But the man they seek is no ordinary man. His name is Caleb, and he too is on a mission -- to find again the love he embraced as a child and to share that love with the world.

"A Man Called Blessed" Caleb is now a twenty-ish man, living back in Ethiopia, with Jason & Leah, SPOILER ALERT: his adoptive parents. As a child, Caleb had an amazing faith and a heart for God,now we see that as a young man, he has misplaced his love for God. Psalm 1:1-3 carries that theme further when it states, "Blessed is the man who does not walk in the counsel of the wicked or stand in the way of sinners or sit in the seat of mockers. But his delight is in the law of the LORD, and on his law he meditates day and night. A Man Called Blessed picks up Caleb fifteen years after he left the world's stage. He had grown up and became familiar with God. His familiarity led him to acknowledgment of devotion but inwardly removed from God.
