DESCRIPTION OF THE BOOK ADRIFT

Emerging from the South American wilderness after adventures related in *The Incredible Voyage*, Tristan Jones finally makes it home to Britain to find his vessel, the tiny, nearly indestructible *Sea Dart*, impounded by customs officials because he cannot pay the import tax. In his quest for the means to liberate his boat, he takes any work he can get: stoking the boilers at Harrod's, regaling TV talk show viewers with wild stories, and in New York skippering one-day around the lighthouse cruises.
