FORGOTTEN RITUALS AND MAGICAL PRACTICES IN ANCIENT HISTORY

Numerous rituals in the ancient past concern the shadow, once believed to be connected to the spirit. (Thomas Leuthard / Flickr) It was once believed that the spirit could leave the body for limited periods of time without causing the death of the individual, but this separation was dangerous. China has a variety of traditional and ancient rituals which are often related to ancient buildings. In Beijing, the Temple of Heaven near the Forbidden City was used to offer sacrifices to the gods. In Xi'an, the Wild Goose Tower was built for Buddhism. Even in modern Shanghai, the City God Temple is the ritual palace for Taoism. Throughout history, there are many rituals that individuals and groups participate in which could be considered strange or unusual by others. The following is a short overview of some of the uncanny rituals that have their roots in the ancient world. In the ancient world, a Pagan was anyone who worshiped gods that were different to those worshiped by the Romans and the Greeks before them. In particular, the Vikings, Anglo-Saxons and the Celts were classified as Pagans and their religious rituals were seen as weird, often because they were! Dramatic directions are sparse, but the fact they exist proves the importance of this-life ritual in Ancient Egyptian religion. Many representations are ritual high points frozen in space : foundation rituals, libation, censuring, opening the mouth, food offerings, offering of Maat, execration, worship of the deity, to name the most common. Ancient Druid Rituals Not much is known of the rituals practiced by the Ancient Druids, except what was written down by those who conquered them. Such documents cannot be taken as a clear and objective chronicle of Druid activity of the time, as the Romans were known view the Celtic people in disdain, and considered them barbarians. Mummies in dark, labyrinthine tombs, strange rituals performed by dour priests, and the pyramid tombs of the kings remain the most prominent images of ancient Egypt in many people's minds even in the present day, and an array of over 2,000 deities - many of them uniquely associated with the afterlife - simply seems to add to the established. CF: The rituals are about something similar -- the fear of the darkness. They're about getting rid of the fear and getting rid of the winter. The traditions are also connected to fertility. Ancient Egyptian Rituals The ancient Egyptian religion expressed the complexity of the relationships between humanity, the world, and the divine, with an inventiveness and subtlety that is without parallel. The ancient

Egyptians had an elaborate set of funerary practices that they believed were necessary to ensure their immortality after death (the afterlife). These rituals and protocols included mummifying the body, casting magic spells, and burial with specific grave goods thought to be needed in the Egyptian afterlife. Ancient Greek funerary practices are attested widely in the literature, the archaeological record, and the art of ancient Greece. Finds associated with burials are an important source for ancient Greek culture, though Greek funerals are not as well documented as those of the ancient Romans. In ancient times, religion was indistinguishable from what is known as 'mythology' in the present day and consisted of regular rituals based on a belief in higher supernatural entities who created and continued to maintain the world and surrounding cosmos. The ritual slaughter of artifacts was believed to have first appeared around 8,000 years ago. This find could move that back by as much as 5,000 years. It also sets a new caveat that even rocks cannot be ignored if ancient sites and their connected cultures are to be fully understood. **The 8 Most Bizarre Rituals in the World.** Turner Wright.
