DESCRIPTION OF THE BOOK CAPTURED BY THE PACK

Two alpha wolves. One woman who calls to them both.... Ten years ago, federal prosecutor Gianna Lynn let loose in Vegas and married a stranger - a really sexy, wickedly take-charge stranger with whom she had the hottest, kinkiest sex of her life. Obviously, they need a divorce. And, since she has a convicted gang member gunning for her, she also needs to disappear for a few weeks. Taking time off to track down her missing husband in the depths of the Louisiana bayou seems like the perfect solution. Werewolf Alpha Luc Breaux sacrificed everything for his pack. He'll stop at nothing to keep his wolves safe. Mating with Gianna was a regrettable lack of control on his part, and letting her run from him was the only way to guarantee her freedom. When the gang targets his AWOL mate, however, it's time for Gianna to come home. Luc makes her a deal. Spend seven nights with him in the Louisiana bayou as his mate...and he'll give her the divorce she wants. Seven nights to convince her to stay with him and seven nights to teach his mate the sweet pleasures of submission to the wolf pack...But Luc's not the only Alpha betting he can convince Gianna to take a chance on him and love. Cruz Jones, the Alpha of neighboring wolf pack is determined to protect Gianna from the gang and make her his. Luc's dark, dominant sexuality lures Gianna, but Cruz tempts her as well. Surrendering to one means giving up the other...and threatens to pull both packs apart.
