DESCRIPTION OF THE BOOK CAUSING HAVOC

From the New York Times bestselling author of the Ultimate series, an MMA fighter and a sassy stunner team up to take down trouble...Sexy, sculpted extreme fighter Dean "Havoc" Connor has knee-melting good looks--and thick skin. But not from his brutal sport's enclosed rings. Orphaned and torn from his sisters as a boy, he has no family. That is, until he gets a letter revealing how much the once-little girls want him back in Harmony, Kentucky. To stop his sister from marrying a man as sleazy as he is wealthy, Dean finds himself teaming up with her pretty-but-smart-mouthed friend Eve--who's heard of "Havoc's" reputation and doesn't need some hunk trampling on her heart. Now all Dean has to do is protect his sisters, win Eve over, and expose a devious criminal. And he thought winning the heavyweight cage fighting belt was hard...
