### DESCRIPTION OF THE BOOK CLOSER

Love and sex are like politics: it's not what you say that matters, still less what you mean, but what you do. Patrick Marber understands this perfectly, and in *Closer* he has written one of the best plays of sexual politics in the language: it is right up there with Williams' *Streetcar*, Mamet's *Oleanna*, Albee's *Virginia Woolf*, Pinter's *Old Times* and Hare's *Skylight*. (The Sunday Times) "Patrick Marber's searing follow-up to *Dealer's Choice* establishes him as the leading playwright of his generation." (Independent on Sunday)
