DESCRIPTION OF THE BOOK DORA BRUDER

In 1988 Patrick Modiano stumbled across an ad between the stock market report and a story of a school visit to Marechal Petain in the personal columns of Paris Soir from December 31, 1941: "We are looking for a young girl, Dora Bruder, 15 years old, five feet tall, round face, gray-brown eyes, gray sportscoat, burgundy pullover, navy blue hat and skirt, brown athletic shoes. Send all information to Mr. and Mrs. Bruder, 41, Boulevard Ornano, Paris." Placed by the parents of a 15-year-old Jewish girl who had run away from her convent school just before New Year's Eve, this ad set Modiano on a quest to find out everything he could about Dora Bruder and why she ran away from the Catholic boarding school that had been hiding her. He found only one other official mention of her name: on a list of Jews deported from Paris to Auschwitz in September 1942. With no knowledge of Dora Bruder aside from these two records of disappearances, Modiano continued to dig for fragments from Dora's past. What little he found in official records or through remaining family members, Modiano transforms into a meditation on the immense losses of the period--lost people, lost stories, and lost history. As he tries to find connections to Dora, Modiano delivers a moving account of the ten-year investigation that took him back to the sights and sounds of Paris under the Occupation and the paranoia of the Petain regime. In his efforts to exhume her from the past, Modiano realizes that he must come to terms with the specters of his own troubled adolescence. The result is a montage of creative and historical material that unfolds as a moving rumination on loss.

"Dora Bruder" is arguably Modiano's most haunting, unforgettable, and beautifully written book. And this is notable because few people who had known Dora still lived in 1988 when the author--his interest piqued by a December 1941 missing persons notice in "Paris-Soir"-- began his research. Dora Bruder is a little book about mostly nothing. It's the story of a man who finds a girl's name in a newspaper, dated December 1941, French Occupation in full swing, and notes that he himself had once walked countless steps past the spot where this girl used to live. 2014 Winner of the Nobel Prize in Literature Patrick Modiano opens Dora Bruder by telling how in 1988 he stumbled across an ad in the personal columns of the New Year's Eve 1941 edition of Paris Soir. In view of the fact that she has repeatedly run away, it would seem advisable to remand her to a juvenile home. In time we learn almost more about Modiano than he learns about Dora Bruder. Whether it was Modiano's purpose or not, this is a hard book to classify—biography, memoir, history, to some extent an act of imagination—but ambiguous as it is, it is also hard not to feel the force of the book. Dora Bruder was originally published in French in 1997. When it was first translated into English it came out under the somewhat misleading title of Search Warrant, but it has now been reissued in the same translation (by Joanna Kilmartin) under its original title.
