DESCRIPTION OF THE BOOK ELIZABETH'S SEA DOGS

Elizabeth's Sea Dogs investigates the rise and fall of a unique group of adventurers - men like Francis Drake, John Hawkins, Martin Frobisher and Walter Raleigh. Seen by the English as heroes but by the Spanish as pirates, they were expert seafarers and controversial characters. This riveting new account reveals them for what they were: extremely tough men in extremely hard times. They sailed, fought, looted and whored their way across the globe; in the process, they established a lasting British presence in the Americas, defeated the Spanish Armada, and made Queen Elizabeth I very wealthy, if seldom grateful. Author Hugh Bicheno sets the Sea Dogs in historical context and reveals their lives and exploits through diligent historical research incorporating contemporary testimony. With additional appendices, colour plates, the author's own maps and technical drawings, Elizabeth's Sea Dogs tells their vivid, extraordinary story as it was lived, in the author's trademark engaging style.

ELIZABETH'S SEA DOGS | HISTORYNET

Elizabeth I's loyal "Sea Dogs" would have waited for the words that would once again set them nipping at Spanish boot heels. From her assumption of the crown in 1558 Elizabeth's reign was marked by intrigue, violence, war and an amazing degree of royal poverty (comparative to fellow rulers, at least). The Sea Dogs were a group of sea-raiders authorized by Queen Elizabeth I of England. The Sea Dogs also engaged in slave trade and were also known as Elizabethan Pirates. The Sea Dogs were essentially a military branch that were authorized by the Queen to attack the Spanish fleet and loot their ships in order to bring back riches and treasure. Queen Elizabeth I's Sea Dogs.. Here we present some of Queen Elizabeth's most notable Sea Dogs: Portrait of John Hawkins, 1581, on display at the National Maritime Museum, London Sir John Hawkins (Hawkyngs) Sea rover John Hawkins (1532-1595) was born in Plymouth into a wealthy and sea. The Sea Dogs of Elizabeth I 4 April, 2015 / Camilla1509 There's been a lot of death here lately, something hard to avoid when writing about the Great Mortality, so I thought I would liven it up a bit with something more entertaining; pirates.
