DESCRIPTION OF THE BOOK FRAGILE ETERNITY

In the third mesmerizing tale in Melissa Marr's #1 New York Times bestselling Wicked Lovely series, old friends become new enemies--and one wrong move could plunge the Earth into chaos. Seth never expected he would want to settle down with anyone, but that was before Aislinn. She is everything he'd ever dreamed of, and he wants to be with her forever. Forever takes on new meaning, though, when your girlfriend is an immortal faery queen. Aislinn never expected to rule the very creatures who'd always terrified her, but that was before Keenan. He stole her mortality to make her a monarch, and now she faces challenges and enticements beyond any she'd ever imagined. Seth and Aislinn struggle to stay true to themselves and each other--all while navigating the shadowy rules and shifting allegiances of the Faery Courts.

FRAGILE ETERNITY - WIKIPEDIA

Fragile Eternity is the third novel in the young adult series, Wicked Lovely by Melissa Marr and was published in 2009. Like the other novels in the series, it is set in the same universe but focuses on different characters. "Fragile Eternity" is the true sequel to Wicked Lovely in that it picks up the storyline of Aislinn, Keenan, Seth, and Donia and the complications that arise as a result of these characters' entanglements with each other. Fragile Eternity is a return to the former, but without the wonder (probably because I know that world now). Seth's journey to be closer to Ash, despite the presence of Keenan and the approach of Summer, is at the heart of this book; the choice he makes is not unexpected, but the ending did take me by surprise. Fragile Eternity returns to the story of Seth and Aislinn and Keenan and Donia, the main couples in Wicked Lovely. Seth and Aislinn are perfect for each other. They have been through so much, but there is one thing neither one of them can help. A few months have passed since the events of INK EXCHANGE, and there have been many changes in Huntsdale. The three faery courts have enthroned new rulers. The Summer Court is experiencing a rebirth since Aislinn became the immortal Summer Queen, co-ruling with Keenan the Summer King. The Earth is. Fragile Eternity on the other hand blew a lot of how I looked at the other two books into a larger light. I enjoyed the story greatly and I know without giving too much away that there will be another book.
