A narrative hook (or just hook) is a literary technique in the opening of a story that "hooks" the reader's attention so that he or she will keep on reading. The "opening" may consist of several paragraphs for a short story, or several pages for a novel, but ideally it is the opening sentence in the book. Remarkably on the improbable tidiness of the plot of "The Hook," folklorist Jan Harold Brunvand observed that "most tellers narrate the

story nowadays more as a scary story than a believed legend." This is a story about a girl who is the daughter of Peter Pan. This is her life going on a quest for beast to go to the Isle of the lost and watch the kids of Villains It turns out that she finds love adventure and enemies with surprises. A short and amusing story about an incident or a person, usually famous. For well over a year now, I've been spinning my wheels on a sequel to Red Soil Through Our Fingers.Despite the well-known writing advice that the first draft will be crap and you just have to power through it, somehow the three drafts I've started and scrapped so far seemed to have more wrong than merely being ordinary first-draft crap. by Amy Friedman and Meredith Johnson. Share on Facebook Share on Twitter Print Article Once upon a time, long long ago, two brothers lived together in Japan. The brothers were as different from each other as night from day. It never occurred to me what a hook really was until I read this article. I always thought it was the main plot, not the unique underlinings. I'm thrilled to begin contemplating what my hooks should be, but sometimes the most simple of things are complex. The Connecticut Supreme Court has ordered that various items and personal writings of Sandy Hook Elementary School gunman Adam Lanza be released. When I wanted to write an essay about my difficult relationship with my brother I had to figure out a way to make it interesting to other people so I turned to these 10 elements to keep the story rolling. A hook in the essay is a catchy sentence or paragraph in the introduction which serves as an attention-grabbing element. The effectiveness of the hook is defined by its ability to motivate people to read the entire text. Lennon and McCartney placed an indelible hook in the middle of a story about someone trying to help reconnect estranged lovers, and history was made. 5. "Stop! die. When the car shook the hook man had grabbed the handle and the boy friend drove and the hook came off the hook mans arm It gave me the eebie jeebies!! wow ending great but alittle lame i meqan give it more scary parts ive heard that story so many times but it was okay. It helped me better understand the concept of the "hook" of a story, and identify what the hooks of my novel actually are for my main plot. My premise is: A teenage high school dropout and drug dealer who later strives to get his GED. Our discussion of story structure very naturally begins at the beginning—and the beginning of any good story is its hook. Unless you hook readers into your story from the very first chapter, they won't swim in deep enough to experience the rest of your rousing adventure, no matter excellent it is.
