I fell in love with Mazzotta's work decades ago and finally visited the Jungle Drums gallery. What a spectacular collection of the funky and the beautiful. Jungle Drums is a lovely gallery to spend a little time perusing. I was particularly drawn to the metal wall art and jewelry. If you walking down Andy Rosse Lane I definitely recommend stopping in as there's a little something for everyone. This is obviously a war time cartoon, with all of the distortions that implies. The dance sequence with the natives actually reminds me of an almost identical sequence in another Superman cartoon called The Underground World where the birdmen do a similar dance around a burning lava pit to virtually the same music. Jungle drum is a good houseplant for you if you like texture! It features medium-sized, mid-green leaves that have an interesting textured appearance, making it stand out from other houseplants. This fun foliage is especially striking when jungle drum is grown in a pot with a smooth finish, such as glazed ceramic.
