DESCRIPTION OF THE BOOK KERPLUNK! : STORIES

This is the latest hilarious collection of folksy, humorous, and wonderfully wise stories about country life from the bestselling author of *The Blight Way*. Patrick F. McManus has garnered legions of faithful fans with his monthly column in *Outdoor Life* and his many celebrated books, including the New York Times bestsellers *The Grasshopper Trap* and *The Night the Bear Ate Goombaw*. The humor and warmth of *Kerplunk!* put the book right up there with the very best of McManus. A rollicking blend of Dave Barry and Garrison Keillor, with a twist of Mark Twain, McManus is an American classic whose wry, curmudgeonly tales appeal to real outdoorsmen and the armchair variety alike. There are nearly 2 million copies of his books in print. The stories in *Kerplunk!* travel the byways and highways of the Pacific Northwest, bringing to life offbeat, down-home characters who hope their grandchildren can pick the lock on the gun safe because they've forgotten the combination, who know exactly why it costs \$500 to make a fly lure that retails for \$2, and who aren't afraid to confront the problems of bird dog flatulence.
