DESCRIPTION OF THE BOOK KEY OF VALOR

Fate brings three women together for a chance to unlock their deepest desires in the Key Trilogy. Now, in the stunning conclusion, it's Zoe's turn.... Growing up, Zoe McCourt did not have an easy life--some might call it "disadvantaged." A hairstylist from a West Virginia trailer park, she ended up in beautiful Pleasant Valley, Pennsylvania, by sheer determination. How she ended up on a quest for a key to unlock the soul of a warrior demigoddess is another story.... Invited to an imposing estate overlooking the town, she met Malory Price and Dana Steele. Each woman was at a crossroads in her life, each facing an uncertain future. And a mysterious couple offered them the chance of a lifetime: a million dollars each if they could free the trapped souls of three mythological sisters--an artist, a bard, and a warrior. Malory and Dana had to reach deep inside themselves to find their keys--and not without paying a price. Now, it has become Zoe's quest. As a single mother, she has more to risk, more to lose. But her courage in the face of overwhelming odds cannot be underestimated. A nurturer to her son, a defender of her friends, she must confront dark forces amassed against her to make all of their dreams come true.... Don't miss the other books in the Key Trilogy....
