DESCRIPTION OF THE BOOK LOVE SICK

You might go a bit crazy but you are not alone. Let Jessie Cave's Love Sick be your love survival guide. As mentioned by Dollie Alderton and Pandora Sykes on The High Low, Love Sick collects together Jessie Cave's most neurotic doodles to celebrate the euphoria and turmoil of modern love. From the magic of dating, lust, falling in love and true friendship to the horrors of falling out of love, ghosting, paranoia and misunderstandings - it is all here and universally familiar. Laugh and cringe knowing that you've been there too and will probably go there again but that it's OK because so will everyone.
