### DESCRIPTION OF THE BOOK MADE TO LAST

Miranda Woodruff has it all. At least, that's how it looks when she's starring in her homebuilding television show, *From the Ground Up*. So when her network begins to talk about making cuts, she'll do anything to boost ratings and save her show--even if it means pretending to be married to a man who's definitely not the fiance who ran out on her three years ago. When a handsome reporter starts shadowing Miranda's every move, all his digging into her personal life brings him a little too close to the truth--and to her. Can the girl whose entire identity is wrapped up in her on-screen persona finally find the nerve to set the record straight? And if she does, will the life she's built come crashing down just as she's found a love to last?
