### DESCRIPTION OF THE BOOK NATUROPATHIC ONCOLOGY

Third edition (2016): Dr. Neil McKinney's fifth book on naturopathic oncology is updated with the rewards of clinical practice, study, research and reader feedback over the last several years. Patients and integrative physicians will find it easier to navigate, more complete, and of real service. DO: use this book to be informed about your best options, and what to expect them to accomplish. THEN: get expert guidance from a licensed, accountable, health professional team experienced in treating cancer. Cancer is a life-threatening disease in most cases. You do not have the objectivity, experience or knowledge to make critical medical decisions alone. This is not just a disclaimer! Cancer is unforgiving of delays and poor choices.

### WELCOME TO THE ONCANP - ONCOLOGY ASSOCIATION OF NATUROPATHIC

Welcome to the website of the Oncology Association of Naturopathic Physicians (OncANP), a professional association of naturopathic physicians who work with people living with cancer. ## **WHAT IS NATUROPATHIC ONCOLOGY - ONCOLOGY ASSOCIATION OF**

An excellent reference for clinical practice. The book starts off with a great summary of the disease process of cancer and biochemical targets of treatment, then examines the various naturopathic treatment options, which is then followed by detailed treatment protocols for the various forms of cancer. Dr. McKinney is a member of the Oncology Academy of Naturopathic Physicians, a medical specialist society of the American Association of Naturopathic Physicians. His passion for treating cancer began when he was involved with cancer research in the 1970s. Located in Scottsdale, AZ, Naturopathic Specialists provides top-class naturopathic care to patients from around the globe. Our physicians appreciate the value of providing individualized naturopathic solutions supported by evidence-based research. Cancer has recently surpassed heart disease as the number one killer in North America and naturopathic integrative oncology is a rapidly growing field. Welcome. I'm Dr. Heather Paulson, a board certified naturopathic oncologist. As an expert in combining natural therapies, nutrition, exercise, and emotional healing, I create a strategy for dealing with cancer just for YOU. Dr. Aschtgen is a board certified expert in the field of naturopathic oncology who has helped thousands of patients since receiving his Doctorate of Naturopathic Medicine from Bastyr University. Naturopathic Oncology Studies show that the vast majority of people with cancer choose to also include complementary and alternative medicine in their fight against cancer. Naturopathy or naturopathic medicine is a form of alternative medicine that employs an array of pseudoscientific practices branded as "natural", "non-invasive", and as promoting "self-healing". Naturopathic oncology utilizes natural therapeutics, including both modern and traditional methods of treatment. Through diet and nutrition, exercise,

vitamin and mineral supplementation, botanical medicine, homeopathic remedies and more, naturopathic medicine can support the body's own healing abilities and strives to empower individuals to make lifestyle changes necessary for optimal health. Naturopathic oncology is the application of the art and science of naturopathic medicine to the field of cancer care and treatment. Naturopathic oncologists work both in hospital oncology settings and in private practices bringing their wisdom, perspective and experience to aid oncology treatment teams that seek the best positive outcomes for. Naturopathic oncologists are naturopathic physicians, board certified in naturopathic oncology, and focused on the treatment of people with cancer using the core of naturopathic medicine, our precepts, and unique treatment approaches. Naturopathic Oncology Bellevue Naturopath Dr. Laura James is a graduate of Tufts University and Bastyr University's Naturopathic Medicine Program. With a focus on women's health, she provides alternative medicine services to women across the generations in the greater Seattle area at her Bellevue Clinic. Naturopathic oncologists are pretending that theirs is a real medical specialty again. Naturopaths labor under the delusion that theirs is a real medical specialty. It is not, and never will be.
