DESCRIPTION OF THE BOOK NEW YORK 2140

The waters rose, submerging New York City. But the residents adapted and it remained the bustling, vibrant metropolis it had always been. Though changed forever. Every street became a canal. Every skyscraper an island. Through the eyes of the varied inhabitants of one building Kim Stanley Robinson shows us how one of our great cities will change with the rising tides. And how we too will change.

NEW YORK 2140 - WIKIPEDIA

New York 2140 Kim Stanley Robinson Orbit, 618 pages Review by Callum McSorley. New York, New York, it's a helluva town! So goes the song, and from Paul Auster's New York Trilogy to Fitzgerald's The Great Gatsby, it's certainly a city that's inspired writers and artists for generations, and its prominence in media and finance has made it the capital of the world. In 2140, New York City is the new Venice, with canals replacing its streets, and people going about their lives in this new world. Robinson depicts that life with a multitude of characters,. New York 2140 Quotes (showing 1-30 of 67) "Because life is robust, Because life is bigger than equations, stronger than money, stronger than guns and poison and bad zoning policy, stronger than capitalism, Kim Stanley Robinson's newest book imagines a New York where the sea level has risen 50 feet. And it still sounds like the best city in the world. New York 2140 is a novel of good ideas, uneven editing, and leaden prose. Robinson created one of the best developed visions of a future New York in contemporary science fiction, and thought through an elaborate timeline connecting the setting of the book and the present-day. New York 2140 is an extraordinary and unforgettable novel, from a writer uniquely qualified to the story of its future. For more from Kim Stanley Robinson, check out: 2312 Whew. That was a busy week. Now on to this week! Summary. The novel continues its practice of following a swarm of characters, tracing events through their perspectives. So maybe New York 2140 is a genuinely utopian text after all, insofar as it puts the start of the worst of the disaster in the 2050s, when the crooks who did this to us will all be dead, and I. At six hundred plus pages, New York 2140 is somewhat short on plot for such a long novel, but it's absolutely, positively packed with characters rife with life, and every one of the above number. New York 2140 is a spectacular exemplar of the tactic: the financial shenanigans form a backdrop for submarine drone-wars, black-ops kidnappings, private security assassinations, non-state actor. Unlike J.G. Ballard's The Drowned World, which was also set on a mid-22nd-century Earth devastated by global warming but focused on the effects of that cataclysm on the human psyche, Robinson. New York 2140 is an extraordinary and unforgettable novel, from a writer uniquely qualified to the story of its future. For more from Kim Stanley Robinson, check out: 2312 In '2140,' New York May Be Underwater, But It's Still Home March 19, 2017 • Kim Stanley Robinson envisions a future that's closer than we like to think in New York 2140.
