## DESCRIPTION OF THE BOOK ON DIALOGUE

David Bohm is considered one of the best physicists of all time. He also had a deep interest in human communication and creativity. Influential in both management and communication theory in what is known 'Bohm Dialogue', On Dialogue is both inspiring and pioneering. Bohm considers the origin and very meaning of dialogue, reflecting on what gets in the way of "true dialogue". He argues that dialogue, as a radical form of exploration that allows different views to be presented, leads us beyond the impasse of conflict and argument to the forming of new views. With a new foreword by Dean Rickles.
