## DESCRIPTION OF THE BOOK ORTHO NOTES 4E

A Davis's Notes title! Perfect wherever you are...in class, in clinical, and in practice! Put the information you need in class, clinical, and practice at your fingertips with this handy, easy-to-use guide. Each joint tab includes the most effective special tests (rated by sensitivity and specificity), medical screening, imaging, mechanism of injury, ROM, strength and functional deficits. See what students and practitioners are saying online about the previous edition...Love these. "They are a really good references to have. Easy to access each section. Also made of good material that you can take almost everywhere. Found it useful to keep in my backpack."--Garrick Jones Great purchase. "It was very helpful with my clinicals. It's a great guide!"--Connie Light Always good for when you need a quick refresher on things. "Always good for when you need a quick refresher on things and you'd rather not consult Dr. Google in front of patients. Waterproof/resistant pages make it resistant for whatever life can throw at it."--Christopher Davis
