DESCRIPTION OF THE BOOK THE KEY TO LOVE : A TEACHING FROM THE BEINGS OF LIGHT FOR AN ENLIGHTENED REALITY ON EARTH

"The beliefs you hold are your jailers or your wings to freedom. Your beliefs are like the ultimate witness to your life. The witness that then is able to say "I told you so" when your endeavors predictably align with your beliefs. And so it is best to manipulate your beliefs to include your True Potential as the most Loving, engaged and charismatic Teachers through time have spoken of... you have the potential to dream as big as the God that is your origin. What need hold you from your Life's fullest expression? Why would One allow the limitation experience of your ancestors be your own limitation as well? This unquestioned acceptance of limitation must cease now, so that the New World is free to be revealed. You live as the Being you imagine you are. Imagination is the powerhouse of your inner God when aligned to Truth, Oneness and Source."-Chapter VI, Section 77. As a child, Siddhartha the Buddha, was troubled by some of the same thoughts that children today have. Being enlightened is not a special state of mind; it is the mind's and heart's freedom from all clinging which gives rise to an awareness of all human experience without a notion of identity separate from the world around us. Mantras show us we are manifestors, cocreators of our reality. Releasing stress, pain and fear is the only way to create spaces for joy, love and light to fill. The spiritual being that you already are is already awakened, already conscious, already empowered, and already eternally free. You are an infinite being, who will live forever.
