DESCRIPTION OF THE BOOK THE POWER OF EIGHT : HARNESSING THE MIRACULOUS ENERGIES OF A SMALL GROUP TO HEAL OTHERS, YOUR LIFE, AND THE WORLD

"This is a monumentally significant book, a once-in-a-generation work that will turn the tide in how we unleash the power of healing for each other and for the world. Drink in its meticulous and transparent scientific method, its countless uplifting stories of vivid healing breakthroughs and its breathtakingly luminous vision. Then go manifest The Power of Eight." --James O'Dea, peace activist, former President of the Institute of Noetic Sciences and author of Soul Awakening Practice Discover how to tap into your extraordinary human capacity for connection and healing, using astonishing new findings about the miraculous power of group intention and its boomerang effect, in this new book by the author of the international bestsellers The Intention Experiment and The Field. What we send out into the universe comes back to us, magnified. Although the power of intention--the energy of positive thoughts--is widely accepted as an influential force in transforming lives, the exponential power of group intention has never been explored, until now. In The Power of Eight, Lynne McTaggart, an expert on the science of spirituality, reveals her remarkable findings from ten years of experiments about how group intention can heal our lives--and change the world for the better. Drawing on hundreds of case studies, the latest brain research, and dozens of McTaggart's own university studies, The Power of Eight provides solid evidence showing that there is such a thing as a collective consciousness. Now you can learn to use it and unleash the power you hold inside of you to heal your own life with help from this riveting, highly accessible new book.
