DESCRIPTION OF THE BOOK THEATRE IN THE VICTORIAN AGE

This book examines all major aspects of theatre practice and dramatic literature of the Victorian period. Michael Booth's comprehensive survey explores the social and cultural context of the theatre including theatre management, the audience, architecture and production methods, acting and the job of actor, as well as the drama itself. Within this framework, Booth discusses such topics as the effect on theatre of population growth and the spread of the railway system, the typical organization of a Victorian theatre company, the contribution to theatre of several important actor-managers, the use of stage machinery and lighting instruments, and the stock company and rehearsal system. The volume also includes a chapter on sources, numerous previously unpublished illustrations, and a chronology. The result is a lively and informative account of the diversity, energy, and colour of the Victorian stage. *Theatre in the Victorian Age* will be of interest to students and scholars of theatre history, Victorian studies, cultural history and literature.

THEATRE IN THE VICTORIAN AGE - MICHAEL R BOOTH, MICHAEL
