Once you determine this, you will be able to work to change it and begin making real progress in your financial life. Here are a few signs: I am worried about buying the groceries, paying my bills or handling an unexpected emergency. All of this can be well and good, but in the end, if you want to get ahead in life, then you have to do whatever it is that makes you happy, not what you think everyone else will want. If you don't know yet, that's okay, but it should be your goal to figure out exactly what would make you happiest and what would make the most of your talents. Unstuck - How to Get Ahead Financially and Start Living the Life You Want Average rating: 0 out of 5 stars, based on 0 reviews Write a review Money Coaches Canada Unstuck offers tools and tips to help you get at the heart of what has you stuck. Use the free Unstuck web app or download the free iPad app at the iTunes store . Break the habits that get you stuck. How To Get A Good Start Financially - How to save 50% of your monthly income and get ahead financially. How to save money when you are young. If you keep it up, soon your financial life will see a breathe of fresh air. Once that happens, financial stress will fade and life will be more free. This mindset generates positive ripple effects throughout your financial life. If your financial house is in order, with your savings accumulating steadily, expenses under control and debt on its way out, then you can work towards the goal of having your money eventually building up enough so that it can do most of the work for you (instead of you having to work for it). You consistently live beneath your means because you are well aware of the fact that all the things that make someone financially stable start with having extra room in

your budget for savings, investments, or paying off debt. You might even be able to make some money teaching people how to make wooden tackle boxes, but if you're offering \$2,000/month consulting for how to start a custom wooden tackle box building business, then you may be offering services that the market doesn't want. Get rid of your debt as soon as you can, because that will put you ahead. But at the same time, we have to stop raising the financial bar so high that we never have a feeling that we've gotten. But if you want to be financially independent, you have to clean up the mess before you can start building wealth. That means if you have debt like credit cards, student loans or car loans, it's time to get serious about kicking it to the curb. Cost of living. If you're struggling financially, your location may be the culprit. Start your independent life in such metropolitan hotspots as Boston, New York, San Francisco or Seattle and you.
