We the Animals Synopsis Manny, Joel and Jonah tear their way through childhood and push against the volatile love of their parents. As Manny and Joel grow into versions of their father and Ma dreams of escape, Jonah, the youngest, embraces an imagined world all his own. Animals may have a more acute awareness of spiritual reality than we realize The incident of Balaam and his donkey brings into focus another insight about animals. It reveals that it is possible for animals to see angels (Num. 22:21-33). That knowledge allows the animals to find plants early, when they're young, tender, and more easily digested. And by eating high-quality plants, they can more easily pack on the fat and protein. More than 10,000 years ago, these fierce tigers migrated from eastern China to the Caspian Sea, paving the way for the trade route that became known as Silk Road.

AMAZON.COM: WE SIGN MORE ANIMALS [VHS]: ARTIST NOT PROVIDED

Article: Daily Inspiration — Day of the Animals - Everyone agrees that humans are more important than other living beings. It's because we are more complex, more intelligent, more sentient. Animal-welfare activists have split over an initiative on the Nov. 6 statewide ballot that would phase in requirements to provide more space for egg-laying hens, breeding pigs and calves raised. Subscribe to We Animals mailing list Hi! Sign up for our mailing list and stay updated on the project. Thank you for your support, and thank you for caring about creating a more compassionate world. We domesticated ourselves, and this process didn't just change us profoundly — it changed a lot of other life forms around us, too. Tens of thousands of years ago, humans were wild animals.
