## **DESCRIPTION OF THE BOOK WHAT THEY DON'T TEACH YOU IN DRIVING SCHOOL**

Driving is the one activity we undertake on a daily basis which has the potential to maim or even kill us. Better do it as well as you can! Everyone needs to learn to drive with skill, confidence and initiative. Skilled drivers can handle gravel roads and potholes, are not fazed by rainy nights, fog, ice or snow. The skilled driver can handle sudden and unpredictable changes of conditions - even with a trailer on the back. Although targeted towards those at greatest risk on our roads - young, inexperienced drivers - this book aims to help drivers new and old reduce the risk to themselves and those they share the road with.

## **ROAD RULES DRIVING SCHOOL**

Courses put you in situations to teach you this exact thing. They teach you things like over-steering and under-steering and how they affect the way a car feels at and beyond the limit. They also teach you how to remain calm during intense driving maneuvers so you do not overreact and make matters worse. In a nutshell, driving instructors teach you how to drive a vehicle correctly and within the laws of the state. The specifics of each driving lesson will vary from instructor to instructor. One driving school in Mt Druitt include these in their sessions: What They Don't Teach You at Harvard Business School fills the gaps between a business school education and the street knowledge that comes from the day-to-day experience of running a business and managing people. It shares the business skills, techniques and wisdom gleaned from twenty-five years of experience. Yes, as you hit the sweet age of 16, it may be time for you to enrol into a driving school and learn the ropes of how the vehicle of your independent life really works! However, the driving school. They might not teach you all this stuff at driving school, but come-on guys, being courteous is something that you should have developed when growing up and it only takes a second to raise your hand and wave a 'thanks'. Choosing a good school,. Learning how to drive is an important step in our life. You learn a lot about road rules, traffic, cars and of course, how to drive. If it happens to you, have your parents complain to the driving school's owner and the DMV's Occupational Licensing division — those instructors shouldn't be teaching. A good driving instructor won't let you do this! - If you find yourself in a dangerous position, change it. A dangerous position is when you are driving along to the right and slightly behind another vehicle. You are way

better off taking a certified driving course rather than the ones that are set in your high school. After my daughter told me all about what was taught in her class, I refused to allow her to use their certificate to bypass the state's road test. but they also teach us the exceptions to the rules. like when to stick up for what we believe in. they teach us about dr. martin luther king jr. he broke alot of rules, and stood up for what he believed in and he is praised for it in schools.
