DESCRIPTION OF THE BOOK YOUR BAND SUCKS : WHAT I SAW AT INDIE ROCK'S FAILED REVOLUTION (BUT CAN NO LONGER HEAR)

Jon Fine spent nearly thirty years performing and recording with bands that played various forms of aggressive and challenging underground rock music, and, as he writes in this memoir, at no point were any of those bands "ever threatened, even distantly, by actual fame." Yet when members of his first band, Bitch Magnet, reunited after twenty-one years to tour Europe, Asia, and America, diehard longtime fans traveled from far and wide to attend those shows, which was a testament to the remarkable staying power of the indie culture that the bands predating the likes of Bitch Magnet willed into existence through sheer determination and a shared disdain for the mediocrity of contemporary popular music. Like Anthony Bourdain's *Kitchen Confidential*, *Your Band Sucks* is an insider's look at a fascinating and ferociously loved subculture. In it, Fine tracks how the indie-rock underground emerged and evolved, how it grappled with the mainstream and vice versa, and how it led many bands to an odd rebirth in the twenty-first century, in which they reunited, briefly and bittersweetly, after being broken up for decades. With backstage access to many key characters in the scene-and plenty of wit and sharply worded opinion-Fine delivers a memoir that affectionately yet critically portrays an important, heady moment in music history.

BOOK REVIEW: YOUR BAND SUCKS: WHAT I SAW AT INDIE ROCK'S

Jon Fine's *Your Band Sucks: What I Saw at Indie Rock's Failed Revolution (But Can No Longer Hear)*, published by Penguin/Viking, is a part-memoir, part-critique penned by the former Bitch Magnet guitarist, who also led the groups *Vineland* and *Coptic Light*. The book is divided into three sections, covering his early experiences in Bitch. Jon Fine is the author of *YOUR BAND SUCKS: What I Saw At The Failed Indie-Rock Revolution (But Can No Longer Hear)*, and the executive editor of *Inc.* magazine. His writing about wine won a James Beard Award in 2011, and previously his writing about media won awards from the National Headliners Club and the American Society of Business Publication. It's the tale told by Jon Fine in his funny, snarky and often poetic memoir *Your Band Sucks: What I Saw at Indie Rock's Failed Revolution (But Can No Longer Hear)*. [PDF]
